Expertise

Branding

Enhanced brand experience of different sectors and business models, Globally by Branding, ReBranding, Collateral Design, Etc.

System Design and Campaign

To keep my design practice more around design thinking, I keep hosting projects and prototypes around System Design and Campaigns.

Editorial Design

As working with CSIR-Niscair, Big part of my work is around Editorial and Publication Design. Like Monthly Science Magazine, Various Brochures, Etc

Illustrations

Apart from doing editorial Illustrations, I enjoy turning my thoughts as illustration and Drawings.
